FOODLAND SHOP FOR HIGHER EDUCATION

Help us earn SCHOLARSHIPS for our Seniors!

Foodland is again running the Shop for Higher Education Program to help Hawaii schools. Maui High School received \$6,000 in scholarship money last year. Let's earn more this year!! Please tell your parents, friends, and relatives to designate Maui High when they make purchases at Sack-n-Save or Foodland from now through March 15. Simply tell the cashier "I designate Maui High" when making purchases. After week 1 Maui High was in 3rd place. Our goal is to remain in the TOP 5 and receive \$10,000 in scholarship money for our seniors!

PROGRAM ENDS MARCH 15

MAUI 5K FOR SCHOOLS

Help us raise FUNDS toward our PE & Athletic programs!

The date has been set for the 5th annual Maui 5K! Mark your calendars for Sunday March 20th, 2016 at 7:00am and join in the event to raise funds for MHS! Simply register for the event and designate MHS on your registration form. A main portion of your entry fee will be donated back to the school you designate! There will be a ChampionChip/MyLaps timed 5K race and a fun, untimed 1 Mile Run/Walk for Keiki and adults.

REGISTER NOW AT MAUI5K.ORG

PTSA CAR WASH FUNDRAISER

ACT DAY - MARCH 1, 2016

Students in grades 9 & 10 will be taking the ACT Aspire exam. ACT Aspire scores reflect the knowledge and skills students develop over time—across grades—and link these results to readiness for college and career, providing an evolving picture of student growth. The grade 8 exam is mandatory as a measure in the Strive HI Performance System, and optional for grades 9 and 10.

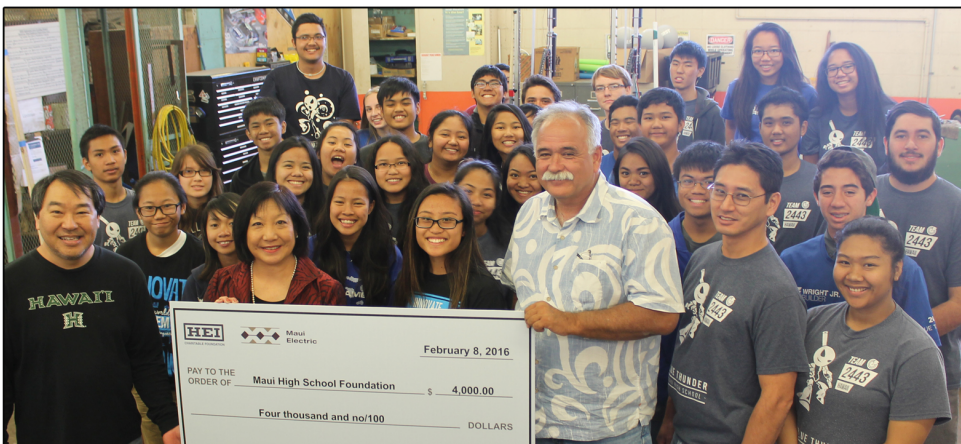

Students in Grade 11 will be taking the ACT Plus Writing Exams. The ACT is a curriculum-based examination that can provide helpful information for all students, not just those who are planning to attend college. Taking the ACT can give every student a measure of his or her academic strengths and weaknesses. This is a mandatory exam, a measure in the Strive HI System.

The best way for students to prepare for the ACT exams is to work hard in school on a daily basis. Students are also given focused preparation for ACT exams through their core subject classes throughout February. In addition, the Maui High community has been promoting ACT Advocacy and Awareness. Parents, please remember to have your child rest well on the eve of ACT DAY. The ACT Testing period for Juniors will take approximately 3.5 hours. Good Luck Sabers! Rock the ACT!!

MHS ROBOTICS AWARDED MECO GRANT

Mahalo to Maui Electric Company for awarding \$4,000 to Maui High School Foundation in support of Maui High's Robotics program.

Sharon Suzuki of MECO presented a check to Principal Anderson with Robotics advisors and students looking on. MECO has been a regular supporter of MHS Robotics, a program producing the technicians and engineers of tomorrow.

HOH NOMINATIONS

The Maui High School Foundation is seeking nominations for Maui High's 2016 Hall of Honor Awards. Our Hall of Honor was created in 2011 and annually recognizes individuals with ties to Maui High School who have made outstanding contributions to the legacy of our school and to our school community.

Program information and Nomination forms can be found on the school website as well as mauihighschoolfoundation.org.

The nomination window will close on March 31st. Winners will be recognized at our annual Awards Banquet held during Maui High's Homecoming Week in October.

ACHIEVEMENT

Successful Sabers Among Us

HSBA HIGH SCHOOL ESSAY CONTEST WINNER

Congratulations to Alexandria Tyau for being selected as one of five winners in the Hawaii State Bar Assoc. Civic Education Committee's High School Essay Contest. The essay topic was based on the courage of people like one of Maui High's very own alumnus, the notable former Congresswoman Patsy T. Mink, "who remained committed to freedom and equality, even when her own civil liberties and rights were being challenged."

"Prior to writing this essay I didn't even know who Mink was," says Tyau. "I learned so much about her." Tyau's research for her winning essay was done over the Winter Break. She had heard about the contest in her Social Studies class just as the class was preparing to transition to 'Participation in Democracy'. Her teacher Ms. Wada says Tyau's essay "is a good example of 'it takes a village to raise a child'". She (Tyau) honed her research skills through A.P. World History with Ms. Omura and participation in History Day last year. She learned APA formatting and had a lot of essay writing practice by taking English 100 from a UHMC instructor this past semester, a course facilitated by Ms. Rosario."

Tyau received an all-expense paid trip for herself and a chaperone to attend the awards ceremony on Oahu, along with a \$500 cash prize. Her trip included a visit to the Hawaii Supreme Court and a tour of a traveling exhibit on the Magna Carta.

Top: Alexandria with co-winners at the Hawaii Supreme Court.

Left: Alexandria touring a traveling exhibit on the Magna Carta.

SCIENCE FAIR WINNERS

Congratulations to Joseph Kim who placed second in the senior division of the 2016 Maui Science Fair with his project on "Using Trigonometric Parallax to Discover the Possibly Extant Triple Star System G41-14ABC". His project also won several Regional Awards. Congratulations as well to Damien Dumayas and Kenneth Menagdag who received honorable mention for their project on "Hyper Velocity Star Tracking".

LOGO DESIGN WINNER

Congratulations to Erica Esquivel whose business logo design was selected by FITNESS 101 as the new company's official logo! Erica is a 4th year Graphic Student, but sees graphic design more as a hobby. "I'm pursuing business in college. But this was a unique experience to have. Once my design was chosen I had to communicate with the client on what revisions they wanted me to make to the logo."

ACHIEVEMENT

Successful Sabers Among Us

2016 NATIONAL HONOR SOCIETY INDUCTEES

Congratulations to the following students for being accepted into Maui High School's chapter of the National Honor Society. This year we had a record number of applicants to go through the NHS selection process. We have ended up with 35 new members. These students have demonstrated the four pillars of the National Honor Society (character, leadership, scholarship, and service) for their time in high school and are the student leaders of our school.

Maui High's 2016 National Honor Society Inductees

Shianne Fontanilla	Alexandria Tyau
Selwyne Matillano	Mitchell Gray
Bridgette Yang	Sydney Dempsey
Benjamin Assman	Joseph Kim
Chelsey Chaves	Wesley Sakutori
Jordyn Paa	Alssie Casayuran
Keely Takayama	Kailee Delos Santos
Nathalya Yadao	Frances Ashley Cadelinia
Courtney Cadiz	Maika Hanta
Micah Jio	Mark Realin
Briana Yamamoto	Lucky Dave Margarin
Jett Bolusan	Angelica Crisologo
Abigail Cayetano	Zeatrix Calma
Danny Domingo	Damien Dumayas
Aimee Nathan	Eldaine Leigh Gajonera
Sydney Green	Eric Lazo
Renezel Lagran	Rachel Nagamine
Braiden Paa	

Briana is a 4.0 student and a member of Key Club, Cross Country (Capt.), Soccer, Track, and St. Theresa's Youth Group.

"I work hard and try to do my best in everything, and it's nice to be awarded for that. Being apart of the National Honor Society, I feel accomplished."

-Briana Yamamoto, 11th gd.

Damien is a 4.08 student and a member of Math League, Science Bowl, and Key Club.

"Being in the National Honor Society is great recognition. It'll help alot when applying for scholarships and colleges. I'm hoping for the opportunity to attend Carnegie Mellon University in Pittsburgh to study Chemical Engineering"

-Damien Dumayas 12th gd.

ACT'S HAWAII COLLEGE & CAREER TRANSITION AWARD

We're pleased to announce that Maui High School is the 2016 'College and Career Transition Award' recipient for Hawaii in the ACT College & Career Readiness Campaign. The ACT program created this campaign 4 years ago. It provides states throughout the country with a platform to recognize exemplary efforts in college and career readiness in the following categories: Employer, College, High school, High school senior. We are Hawaii's very first State Exemplar to be named in the HIGH SCHOOL category in this recognition program. Criteria for this award includes:

- Student growth towards meeting ACT's College Readiness Benchmarks between grades 8 and 12
- Success in serving students of underrepresented racial/ethnic and socioeconomic backgrounds
- Success in encouraging students to attend college or career training programs after graduation
- Provision of leadership opportunities for students outside of the classroom

ACT developed the Campaign to shine a light on individuals and institutions that are doing more with less, overcoming personal or community obstacles, and serving as examples to others working to improve the condition of college and career readiness for all.
